

# FIRST LESSONS FOR NEW FAGGOTS

written by lower than shit faggot

So, you have realized that you are a faggot. Good job. That's about all the praise you will get for the rest of your life. From now on, you must continually dedicate yourself to your destruction. Realizing that you're nothing but a low-life, sub-human, disgusting, sick, perverted faggot is just the beginning. You must now act on this realization and live the faggot life you were born to live. The following will get you started on your path to destruction and help you deepen your understanding of your new-found identity. It is a product of this faggot's own descent into destruction.

## 1) THE PERMANENCE OF FAGGOTRY

It may feel to you that you have just become a faggot, that the faggot nature in you suddenly appeared. This is not so, for you have always been a faggot and you will always be a faggot. fags are born with the tools they need for their own destruction, and sooner or later they will discover those tools inside them. The self-hate you feel for yourself has always been there, you just did not have a word or overall concept to describe that gnawing feeling of inferiority. When you found out that word, it was perfect: faggot. No word better defines the submissive, obedient slave you are. It speaks to your very being, your very identity. It is you and it is inescapable. You may try to distract yourself with friends and family, but you will always, once you've figured out what you are, come back to learn more and to delve deeper into the dark and pathetic world of fags. Not only will you go back again and again to StraightWhiteMan.com., you'll find yourself seeking out increasingly depraved fag porn, mesmerized by the sight of a fag with fag slime, snot, and spit coating its fag face as a Real Man pounds its fag cunt mouth. Then you will start to serve Real Men and their Cocks. Instinctively, you know this needs to be done, that you crave this and need this more than anything in the world. A fag is permanently a fag. A fag is forever.

## 2) THE IMPORTANCE OF HOLES

As you have probably realized by now, your fag holes give your faggot identity meaning. It is through these holes that you can worship, give pleasure to, and service Real Men. Your "mouth" is nothing but a wet hole for Men to fuck and fill with whatever They please. It is a cunt, a pussy, a receptacle for all manner of Man's products – Holy Straight Cum, Piss, and Shit. And you will learn to take it all: Real Straight White Men will expect nothing less. That is why you must begin training your cunt mouth now, beginning with gloryholes and dildos to fuck your mouth with. It must be hard training and it must be merciless, because Real Men are merciless. They know that you're nothing but a lowly cocksucking faggot, that you are literally worthless except for the pleasure They can get out of pounding your holes with Their Cocks. And since only They get to experience the pleasure of fucking and release, and you none, you really are completely worthless. This is something you must remember and internalize: you are worthless, you are nothing, you are lower than shit, you are a faggot.

## 3) TRAINING NEVER ENDS

The last lesson this lowly faggot would like to convey to other fags out there in the world is that your training never stops. It is important that you continue to dedicate yourself to deepening and furthering your destruction, through Faggot Destruction, Tumblr blogs by Alphas and fags alike, and fag porn and audio hypnosis. It needs to get to the point where during your every waking moment, you are either being of use to a Real Man or consciously bathing yourself in self-hatred, in the abject fact of your faggotry and inferiority to Real Men. When you wake up in the middle of the night, your first thought should be of a giant White Cock pounding your faggot throat. It is imperative that you live this life fully, completely, and without hesitation, so that, as it was intended since your birth, the Straight White Man can use you and destroy you. you are a faggot.

**Destroy yourself.**
